Jeff Prugh

November 8, 1993

Dear Harold,

Herewith materials I hastily photocopied from Livingston's book (I can send the book to you, if you want it).

Also, a Jonathan Kwitny review that takes apart Posner's book. (Jonathan & I were classmates at U. of Missouri in '62).

Will watch with interest JFK stories about to spew all over the place.

Good cheer and health to you and Lil. Regards,

Jeff.
